Associate Dean Willis Patterson
School of Music

Dear Willis:

Marilyn Breiter will be responsible for preparing special articles on the three individuals being sponsored by the Martin Luther King/Rosa Parks/Chavez Program. She will also be authorized to prepare special advertisements for the Ann Arbor News if this is deemed appropriate. Funds for this will be provided through the regular School of Music Current Account.

I will also authorize an entertainment budget of \$100 for each of the visiting guests. These expenses may be covered through the School of Music Travel Account.

Cordially yours,

Paul C. Boylan
Dean
