RE: Information about the King-Parks Visiting Professorships Program

As I promised you in our telephone conversation last week, I am sending you a copy of the letter from Provost James J. Duderstadt to Dean and Directors updating them on the King-Parks Visiting Professorships Program.

In addition I am enclosing a copy of Enrolled Senate Bill No. 705 from the Regular Session of 1986, the 83rd Legislature of the State of Michigan. I have starred the section on page 10 that describes the funding of the program. The third item that I am sending you is for informational purposes and is a sample of a letter informing that a request to host a visiting scholar has been approved. Lastly, a copy of the form for reporting expenses after the scholar has completed his/her stay completes the examples of the reporting we require.

This material should give you an idea of the purpose of the program and also what is expected of the units given approval to bring in a visiting scholar

Please call me at 764-3982 if you need more information about submitting a nomination to the King-Parks Visiting Professorship Program.
