Associate Dean Willis Patterson
School of Music

Dear Willis:

As you probably know, the Visiting Professorships Program has been established from funds provided by the Martin Luther King, Jr.-Rosa Parks Educational Fund. I would like us to attempt to get one of these appointments for the School of Music next year and was wondering whether or not you might want to "sound out" Leontyne Price about her availability for a two or three week residency. I'm enclosing a letter I recently received from Jim Duderstadt. Let me know what you think.

Cordially yours,

Paul C. Boylan
Dean
