Dear Marilyn:

The two students for whom I am mentor in the Summer Research Opportunity Program are Alicia Hunter and Angela Jones. We have discussed and earmarked definite financial support which they will need in carrying out their work with me this summer.

I wish to request that the \$1,000 for each student be transferred to the School of Music Scholarship Fund (Account #344900). Our projected budget includes: at least 8 visits to Detroit, supplies, computer time, long distance calls and transportation. An itemized budget will be submitted at a later date.

Thank you for your support of these students, I feel that much will be accomplished through their efforts this summer.

Sincerely,

Willis C. Patterson
